

C 65

C Series Architectural Speakers

The **C 65** easily mounts in virtually any ceiling to evenly fill the room with great sound. A 6.5" woofer provides tight bass, and the pivoting aluminum dome tweeter allows for easy placement anywhere in the room. Whether it's music or movies the C 65 will bring your home or office to life with uncompromising sound quality, virtually invisible installation and exceptional value. Enjoy!

Features

- 6-1/2" Extended throw polypropylene-mica cone woofer with durable Santoprene surround
- Pivoting 1" aluminum dome tweeter that utilizes ferrofluid for damping/cooling and increased power handling
- Foam reflection-absorption ring around tweeter assembly for a smoother response
- 12 dB/octave crossover network with premium parts
- Acoustically transparent, fine mesh grill with paint shield
- Woven dust screen to protect woofer from in-wall debris
- Four-point "dog-leg" mounting system
- Optional NCK-3M New Construction Kit
- Parasound's 10 years parts, 5 years labor warranty
